

# Dhini

## FUTURE EFFECT

### The Look

A futuristic edge of structured sheerness runs through various pieces – blouses, butterfly wing jackets and waistcoats. Butterfly prints were the main attraction featured on summer dresses, skirts and even on the calves of sheer stockings.

Dhini added use of bright summer hues of Orange and Yellow while still using shades of pale blue, ivory and black.

### CND's Finishing Touch

Nails were kept short (just over the fingertip) with rounded corners and painted with 'Brilliant White' from CND's Colour & Effects collection.
