Gail Sorronda

'STEM THE FLOW'

The Look

Stem the Flow is inspired by the bulbous shape of liquid and the flow of aqueous movement intercepted by time. It's an exploration of fluidity and freedom versus restraint. Sometimes a trickle, sometimes an avalanche.

Staying true to her signature black & white theme which is all the better to showcase her intricate tailoring. Gail Sorronda's collection combined sheer, pleating, blousing and fine knits, with striking mini hemlines.

CND's Finishing Touch

CND kept nails short and round, painted a demure nude using CND 'Putty' with CND 'Brilliant White' Moons to highlight.
