

# Carl Kapp

## THE LOOK - COLLISION

Structured and edgy, Carl Kapp's dramatic collection featured jaw-droppingly beautiful asymmetric gowns that incorporated the most delicate balance between fluidity, structure, femininity and edge.

Throughout the entire collection, every ensemble played up to the female form, with plunging necklines and heavily belted waistlines creating gorgeously feminine silhouettes.

Earthy tones were contrasted with bright pops of colour – deep jade, hot purple, teal, mint green, bright pink and orange.

## CND STYLE SPOTLIGHT

Head CND Nail Artist Cherie Pollard worked with Carl Kapp to create a strong, classic yet edgy style to complement his collection. Long almond shape nails were given a nude base using CND Putty. With a twist on the traditional French Manicure, deep jet-black smile lines were applied using CND Blackjack.
