Gail Sorronda

THE LOOK - MOD MUSE

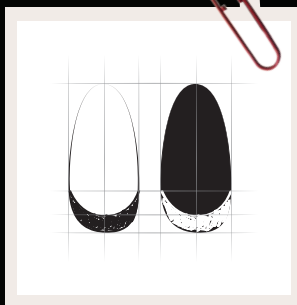

Gail Sorronda surprised us by juxtaposing her signature monochromatic style with electric bursts of punchy red, pink, yellow and green, to create a collection that oozed mod femininity.

Bold lines, flared trousers, polka dots, retro prints and tiers of block colour chiffon were punctuated with retro-inspired chunky earrings, heavy choker necklaces and floral and beaded headpieces.

Big baby doll eyes, immaculately framed with liner and fake lashes were teamed with pixie-like lips to complete each outfit.

CND STYLE SPOTLIGHT

Head CND Nail Technician, Rebecca Najjar, developed a twist on the classic French Manicure for Gail's collection, in the designer's signature black and white.

Nails were slicked with CND Brilliant White and crisply lined with CND Blackjack to create reverse smile lines to frame the cuticle lines. Colours were reversed for a darker, striking statement.
