# Jayson Brunsdon

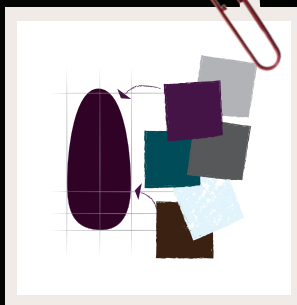

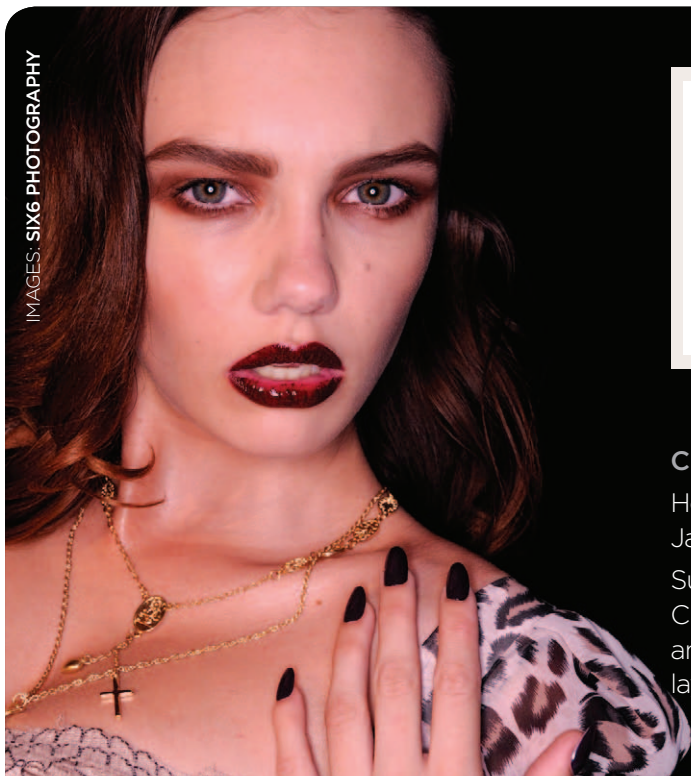

## THE LOOK - THE LADY IS A TRAMP

The lady is letting loose, losing control and falling in love. Jayson injected a steamy, sultry shot of sex into his ladylike aesthetic after travelling to Buenos Aires and being inspired by the romance and sensuality of Latin America.

This led him towards Evita and then ultimately to Madonna. Jayson felt that our lives have been under a cloud of control and it was time to embrace a sense of romantic decadence, by presenting his collection in a cinematic setting.

## CND STYLE SPOTLIGHT

Head Nail Artist Cherie Pollard helped complete Jayson's vision with five different nail looks:

Sultry long almond nails were painted in CND Silver Chrome, Raisin in the Sun, limited edition Urban Oasis and Dark Amethyst and for extra glam – Asphalt was layered with CND Ice Blue Shimmer Effect.
