Gail Sorronda

MERMAIDS EXIST: AS ABOVE / SO BELOW

Featuring her signature structural yet fluid designs, Gail Sorronda said of her collection "I was inspired by the idea of duality and everything having two parts, not existing without one another."

Both ethereal and graphic silhouettes will bring focus to the equal and opposite reactions of life - masculine and feminine, light and dark, intellectual and emotional - all separate forces that are inexplicably linked together.

CND STYLE SPOTLIGHT

CND Nail Artists collaborated directly with Gail Sorronda to create three contrasting styles on long, feminine almond nails. Using CND VINYLUX, deep contrasting half moons (featured left) were created using a custom 'oxblood' (one coat of 'Fedora' followed by one coat of 'Decadence') on a base of 'Powder My Nose'.
